

# THE FAMILY ALBUM

◆ NINETEEN EIGHTY EIGHT ◆

***Kurt Salmon Associates***

---

The 1980 KSA Yearbook and 1981 update served us well during those years. We used it to place names and faces, spouses and addresses. It proved invaluable when meeting new people or refreshing old memories. Your feedback indicates that it was a useful tool.

Many requests for a new Yearbook have prompted us to go to work.

We can thank Kelly Felker of the Atlanta office Communications Department, for her persistence, patience, and good humor while collecting, organizing, and assembling our first worldwide *KSA Family Album*. It was a six month project to reach all of you around the globe.

Thank you for your responses to our requests. Your cooperation was essential to the success of this effort.

I hope you will find the *KSA Family Album* to be enjoyable as well as useful.

Bill Cameron

## From the Editor

Finally, after six long months, here it is! *The KSA Family Album* – KSA's first effort at an international photo directory.

Included in the directory are photos and biographies of KSA consultants, administrative and support staff.

I'll apologize now for anyone whose name was omitted. Please notify me so we can be sure to include you next time.

Enjoy!

Kelly Felker
